

## **Meeting Planned with Prospective New Owner of Golf Course**

The RVRMA Board's first meeting for the prospective new owner of the golf course should take place in early November.

The Board and the Golf Advisory Committee are preparing to meet with Dan Coleman, the local representative for the investor group known as Crystal Outdoors, LLC.

At the meeting, the Board and the Committee hope to learn more about the ownership group, its intentions for the golf course, and what kind of relationship it wants with the RVRMA.

Following the meeting, we will share with you, in this space, a summary of what we heard.

The attorney for Crystal Outdoors, LLC, says the entity is moving forward with its planned purchase of the golf course. Now that the due diligence period is complete, the contract is scheduled for a November 15 close.
